Living Fence:

The living fence proposal was put to a vote of the homeowners. The proposal passed and will be installed in the next few weeks. We appreciate those that took the time to vote. There are still seven residents with unpaid dues and therefore were unable to vote.

Next Homeowners Association Meeting- December 6, 2010 at 7pm at Villa Ventura:

It is imperative that all residents try to attend the general meeting as it provides a forum for all voices to be heard, so that issues and concerns can be discussed. In addition, Board members always welcome your thoughts and concerns regarding neighborhood issues via telephone or email.
