

Home of Paula Kane. Thank you Paula!

Board of Directors members present:

Aryn Roth, Ann Nixon, Kirby Upjohn, Paula Kane, Holly Mehl, Dick Nelson, Marita Wesely

ANNUAL PICNIC IN THE PARK September 30, 5:30 - 7:30 p.m.

After general discussion, it was agreed that picnic admission will be free to WPHA neighbors this year. It was suggested that RSVP's be emailed/phoned in to the Homes Association of Kansas City. (We typically have between 30 - 40 people attending the picnic.) Our Spin Pizza and salad tradition has been well received. A couple of board volunteers will be in the shelter an hour or so prior to the picnic, as the picnic shelter space can no longer be reserved ahead of time.

DUMPSTER DAY - October 7

Scheduled for 8:00 - 12:00 noon-- or whenever dumpsters are full, at the island close to the fountain. We accept items from neighbors that are current on homes association dues. Fore that morning, Aryn reserves a trash and a yard waste dumpster, contacts Goodwill for a truck, and notifies a metal scrapper. Pastries for volunteers and neighbors are always a hit and will be provided by board.

MAINTENANCE

*Thanks to Ann Nixon and Martha Negley for beautiful planting work on Ward Parkway and fountain islands, making the neighborhood so welcoming.

*The paint has been ordered for the crosswalk markings to the park.

REAL ESTATE

Receivership house at 4937 Wyoming has been purchased by the owner.

WESTWOOD PARK HOMES ASSOCIATION NEWSLETTER

Board dialogue resulted in looking at the first part of September for publication of our newsletter. Suggested material for inclusion in the publication: Home of the month recognition and welcome of all 2017 new neighbors-- including their address, phone number and email. Copies of previously published newsletters were shared with Mollie by Aryn. Thanks to Mollie who's volunteered to create the next issue.

IMPORTANT DATES:

*Early Sept. NEWSLETTER
