WE NEED YOUR HELP!

Hopefully only a few more weeks of this winter weather before we can all come out of hibernation! We are planning to have a late spring/early summer block party so that we can all get together and celebrate the return of flowers. We need volunteers to help with the planning of the party, if you are interested, please either contact us on Facebook or our email at hoa@wardparkwayestates.com.

You may have noticed our neighborhood watch signs are a little worn out. In order to have them replaced, Kansas City Metro Patrol will be conducting a training session for us. Your participation is greatly appreciated. The training session will teach us how to spot trouble or suspicious activity in our neighborhood and what to do about it.

Fortunately crime is minimal in our neighborhood and if we work together and watch out for one another we can keep it that way. The meeting will be held Tuesday April 8th at 7:00 p.m. at the South Patrol Station located at 9701 Marion Park Ave., Kansas City, Missouri. If you are interested in attending the meeting please let me know so I can send a list of participants. By participating in the meeting we will receive 8 new signs that the city will install, all at no cost to our homes association. Thank you in advance to those who are able to attend.

Congratulations to John and Maria at 8707 Belleview for winning our first annual lighting contest! For winning the contest, John and Maria will receive a \$25 gift card to target and a gift certificate for a free brunch at The Westport Saloon. Great job on maintaining your yard and decorating for the holidays, it paid off! Don't forget our Yard of the Month contest will be returning this summer. We had some great yards win last year, will it be yours this year? Good luck everyone!
