### GARAGE SALE TIPS

- Keep prices low, or be willing to bargain.
- Clean items sell better
- Put an eye-catching item out front, or in your driveway.
- Get the kids involved selling unused toys or setting up a lemonade stand.
- Stock up on change and small bills, and put some inside as larger items sell.
- Keep house locked for safety.
- Ask a friend, neighbor, or family member to help.

## ANNUAL NEIGHBORHOOD GARAGE SALE

### FRIDAY, JUNE 15th & SATURDAY, JUNE 16th

Time to clean out the closets & garage!

Neighborhood Sale Ads will be placed in the local papers (KC Star & Wednesday Sun). Feel free to place your own ads for additional attention. We will also put up signs by the entrance markers, and collect them after the sale. Sally Ryan will create a list of participating addresses and a map. If you would like to be listed, contact Sally by e-mail (preferred) at sryan2@kc.rr.com. List your name, address, and phone number, plus a maximum of 3 items you may want to highlight. If you want to leave a phone message, the number is (816) 942-0037. Quickly state name, address, and phone, and Sally will call you back after June 11 for specifics. The answering machine is old, so brief messages will help make sure everyone gets a chance.

## Parks & Island Update

Our markers are starting to take on their new look.

We have contracted a local company called K.C. Sign to complete this project.

Thankfully we were able to save most of the existing stone work, but it was necessary to replace all the wood due to rot.

If you're lucky enough to live next to one of these markers, please help us in keeping them looking their best. Once the markers are complete, we will start placing plants in the boxes. Your help is appreciated in keeping the plants watered. These markers represent the entrance to our community, so let's keep them looking beautiful!
