## **Fence Repair:**

We have received a check from Safeco Insurance for the damage done to our fence on 119<sup>th</sup> Street east of Antioch. Repairs will be completed as soon as bids are obtained.

## **119<sup>th</sup> Street Widening:**

An informational meeting was held on February 7<sup>th</sup> at Tomahawk Ridge Community Center. The engineers were on hand to answer questions after residents viewed the layout of the plans. There was very little new information presented, but we did learn that the utilities would remain inside the sidewalk.

## **Garage Sale:**

Remember to start gathering up items you want to sell in our annual garage sale. It is always the Saturday after Mother's Day each year. We do plan to expand the sale this year and will let you know the exact days in the next newsletter.
