Board Opening

Unfortunately Jamie Brooks, newly elected board member had to resign her position. We are in need of someone to replace her. If you can serve please volunteer. Call Tom Armstrong at 913-451-4699 if you can or know of anyone who might serve.

Trash Collection

Deffenbaugh is beginning a new program that will include a graduated price structure that will be dependent upon the type of trash containers. HACCD has been asked when the changes will occur and they are still investigating. We will be keeping everyone up to date as we learn more. Rather than give incomplete information or information that might change we will defer any announcements.

Web Site

Information regarding our association can be found on the website listed at the bottom of this page. HACCD is upgrading the site and we will be able to supply more information for our owners. We will keep you apprised of the progress.
