Westmont Neighborhood Directory: Information Request

It's time to update our Westmont Neighborhood Directory. An information request form has been included with this March Westmont Newsletter. Please return this form to HA-KC by April 1, 2012. The new directory will be delivered to you by June 15. We need this six week turn-around time to confirm and clarify provided information, and to print and distribute the directories.

We want to update information for each household. It was last published in 2010. The directory is only given to Westmont homeowners. The information you provide is to be used by neighbors for emergency situations, security alerts, and neighborhood notices and bulletins.

If you have questions, please contact board members Pam Tittle or Barbara Kolom.

May Flowers Bring.....our annual garage sale! May 15, 16, 17, & 18

Yes, our neighborhood annual garage sale is just around the corner. This is the time to open each drawer, cupboard, and closet, and browse your basement and garage for items you no longer want. No item is too large or too small to capture the attentions of the many attendees we expect. Be sure to have cash to make change to give the fella who brings a \$20.00 bill to pay for your 50 cent item.

May 15 is just for Westmont residents to get first glance and a chance to buy from neighbors. May 16, 17, and 18 are open to the public.

LAST CALL FOR SPRINKLER SYSTEM

Tony Fink and Ken Knese have completed two meetings with 20 homeowners interested in adding sprinklers to their yards. Final plans are near completion. If you're interested, please call Ken Knese now.
