

Ward Parkway Estates Homes Association
4200 Somerset Drive, Suite 216
Prairie Village, KS 66208

Dear Fellow Residents:

John F. Kennedy once said, "Change is the law of life. And those who look only to the past or present are certain to miss the future."

As many of you know, the last year has been a difficult one for our Neighborhood. Unfortunately, there was a lull in the level of activity of our Association. But, a few weeks ago we held a general Home Owners Association meeting where a new Board of Directors was elected.

This new Board forewent watching the Chiefs pummel the dreaded Broncos and met last Sunday to start the planning for the next year. (Yes, some of us DVRed the game and enjoyed it later.)

The First order of business was the election of new officers. The Board has elected me as your new President for the 2015-2017 term. A job I look forward to doing.

At our first meeting we decided to hold monthly board meetings and periodic homes association meetings. We also are looking at reviving/continuing some of the past popular programs like the association wide garage sale, the monthly outstanding yard award and snow service. We are also looking at adding more social events so everyone can get to know their neighbors and we as a board can have more opportunities to hear from our constituents.

I am personally committed to posting on this page a monthly Letter from the President keeping you up to date on the neighborhood activities, city events that affect our neighborhood and board actions.

Looking to the future.

Howard L. Lotven President
