HAPPY FALL!

Fall makes me think of getting ready for the holidays, raking leaves, apple desserts, and pumpkins everywhere. The sun that was beating down on us just a month ago feels pretty great on a cool day now. Pretty soon the kids will descend on our neighborhood in all of their costumes looking for candy and we'll be shoveling the driveways again.

Being stuck inside makes me think of comfort food. If you are a friend of WPEHA on Facebook, please share your favorite recipes with everyone! I am always looking for new ideas and I'm sure we've got some great cooks in this neighborhood!

If you were unable to make it to our annual meeting last month, we had a great open discussion about several items brought up by those in attendance. We are working on several of items including new Neighborhood Watch signs. I've contacted the city and they have been ordered. We're just waiting on them to come in and then be installed. It seems that a lot of people still aren't calling 3-1-1 as much as possible for neighborhood issues. Street light out? Barking dog? The 3-1-1 helpline is always available to assist. They are prompt and helpful, if you have an issue, check them out!

In the spirit of the upcoming holidays we are going to transition our Yard of the Month award into a holiday contest. In late December we'll get nominees for the best holiday decorations in the neighborhood. We will award a gift certificate to the winner. Good luck!

Our next monthly meeting will be held at the Trailside Center on the corner of 99th and Holmes. Please feel free to join us at 6:30 p.m.
