Winter 2005

### **New Neighbor Spotlight**

**Dan Durkin** is new to our neighborhood as of July. He moved into his home at 645 Huntington from Lee's Summit. Dan works for a commercial real estate company and enjoys golf and fly fishing. Look for his friendly chocolate lab named Flash who likes to lick humans!

**Mark Woody and Todd Epperley**, with their dog Aspen, moved into a home at 629 West 60th Terrace in August. Their previous residence was downtown Kansas City, Missouri. Mark is a dentist and Todd works for Halls department store. They love their great neighbors and feel Brookside is the best neighborhood in Kansas City!

**Gil and Lisa Parra** moved into 621 West 59th Street in September from the Morningside area. They have a 3 1/2 year old daughter, Talia. Lisa teaches part time at Johnson Community College and Gil works for Generali. In their free time, Gil likes to run and keep up with professional sports. Lisa likes to cook. Both love the old homes in Brookside and all the fun things to do near our area.

**Craig Grady** has moved into a home at 608 West 60th Terrace. He was renting an apartment in Overland Park, after being transferred to Kansas City from Arlington, Virginia. Craig is a software engineer for Sprint. He loves to run, play golf, travel, and currently spends a lot of his free time remodeling his home. He chose Brookside as his neighborhood as it reminds him of Arlington, and he hates "cookie cutter communities. Brookside is definitely distinctive!"

Also welcome **Judy Spooner**, who moved to 410 Huntington from Prairie Village. She works at Midwest Transplant Network in the laboratory. She loves to garden and dabble in photography. Judy is looking forward to meeting her new neighbors in Brookside!
