We have had a fairly calm winter but as a reminder each resident is responsible for clearing sidewalks that are adjacent to their property. Please refer to the following KCMO website (<http://kcmo.gov/publicworks/snow/faq/>) which states:

What are the guidelines for clearing sidewalks of snow/ice?

The City of Kansas City, Mo., reminds residents, businesses and organizations to clear sidewalks adjacent to their homes and offices. The City's Municipal Code (Sec. 64-246) requires individuals owning or occupying property on streets, boulevards and highways to remove snow and ice from the sidewalks in front or alongside their property.

While the code does provide provisions for fining residents, the City requests that residents and businesses clear sidewalks as a neighborly act to help pedestrians who rely on walking as a means of transportation to get to school, work and home.

Election of new board members and committee chairs

- **We have a number of HOA board positions coming up for renewal so if you are interested in becoming a board member or a committee chair please contact one of your current board members. This is an opportune time to get some new faces and fresh ideas onto the HOA board and committees.**
