

Countryside Homes Association

February Board Meeting

February 21, 2006

Board Members in attendance:

Terry Rodeghier, Gary Mehl, Darryl Hawkins, Bill Robertson

Meeting began at 7:10.

The litter receptacle for the park will run about \$1000. It is commercial grade.

Darryl will meet with Mel Solomon to see what he did with PIAC to get money for curbs and sidewalks.

Write an article for the newsletter saying we'll help match money for sidewalk replacement up to a dollar cap. People would submit requests by a certain date and we would prioritize worst first.

Darryl volunteered to do the design for the island at 52nd and Brookside in keeping with the one at 52nd and Wyandotte. Once the plans are done we will discuss scheduling the work.

Call UMKC to get a Twin Oaks update for our annual meeting.

Call Tom McGee for a Main Street update.

Get an article from Arlene on island etiquette.

Schedule the annual meeting so we can schedule the guests.

We adjourned at 8:00
