

Countryside Homes Association

April Board Meeting

April 10, 2007

Board Members in attendance: Darryl Hawkins, Terry Rodeghier, Gary Mehl, Bill Robertson
Missing: Jim Krause, Kevin Vaughn, Mario Vasquez

Meeting called to order at 7:10 pm.

Kevin Yates (53rd and Brookside) attended the meeting. He wanted to discuss an initiative to stop trucks from using Brookside Boulevard. He is working with Tim Whitehead of the City Traffic Control department, and has police sitting at that corner and ticketing speeders and trucks. He further suggested that we work with the other associations from the Plaza to Brookside to get the homeowners on Brookside Boulevard to do a sign campaign. The signs would show the symbol for No Trucks, Boulevard, and the Dollar Fine for driving a truck there. His thought was a full 15 blocks of signs would get the attention of the media (print and maybe TV) to highlight the effort. We do not want Brookside to turn into another Shawnee Mission Parkway.

He also mentioned he had attended a neighborhood meeting last summer, one of the topics being sidewalk and curb replacement. He has 60 – 7- homeowner signatures from the blocks around him as a start towards applying for PIAC money. He is willing to spearhead that effort if we want to do that for the whole HOA.

Mario, do you know the PIAC rules for something like this? Can we apply for a total grant to do sidewalks and curbs, or is the homeowner liable for some, or all, of the costs?

We reviewed the Annual Meeting agenda. Annual meeting topics will be:

- Intro from Darryl and Terry
- Treasurer's report – Kevin
- 2007 event calendar – Terry
- Historic District expansion project – Pat and Mario
- 100 Year celebration – Darryl
- Banner discussion - Darryl
- Sidewalk initiative – Bill
- Raising the dues - Terry

Gary turned in his sidewalk review (show off). The rest of us should try to get theirs to Mario soon.

The meeting was adjourned at 8:05 pm.
