

## **Countryside Homes Association**

February Monthly Board Meeting

February 8, 2005

Board Members in attendance:

Darryl Hawkins, Terry Rodeghier, Tracy Wolahan

Board President Darryl Hawkins called the meeting to order at 7:00 pm.

The first discussion was regarding the status of the Oxford House. Dan Cofran has completed his work and the Oxford House is legal. He advised that the only legal remedy was nuisance suit claims. The board feels this matter is closed.

The Annual Easter Egg hunt was discussed. It will be held on St. Teresa grounds and Tracy will lead that effort.

Current status of the account is approximately \$27, 700.

Darryl is working on the next news letter and will send us a draft.

The fire station on 50<sup>th</sup> and Main is being sold. We believe the nearest station is at 39<sup>th</sup> and Main.

The meeting was adjourned at 7:55 pm.
