

Indian Fields Homes Association Board Meeting April 26, 2011

The Board met at Homestead Country Club. Members present: Sarah Bogdan, Heath Anderson, Jim Bell, Denise Jackson, Bob Bates and Mark Lieb.

The meeting was fairly brief. We discussed obtaining a Facebook page for the Indian Fields Homes Association. Mark will look into this and determine if we can have a link to the Homes Association of Kansas City. Mark also mentioned adding our Association to the PV City website, which is now an option. A link to the HA-KC page will be added.

Island clean-up and planting day is next weekend. Discussed plans for that work day. Denise will bring camera and try to take shots of people planting. Reminder to wear our green planting day work shirts.

Annual meeting is set for May 29th. We realized that this was Memorial Day weekend. The Board determined that we should go ahead with date as set. The date has already been mailed to residents in the newsletter.

In addition to Bob Bates, Cooper Weeks has volunteered to serve on Board next year. We are still looking for more volunteers.

Home of the Month: Heath Anderson's home was nominated for May.

Revisions to By-Laws: Mark will pull together some recommendations regarding setbacks tied to neighboring properties. The Board will review these before our annual meeting.
