Island Committee:

The committee has decided to redo 2 large islands this spring:

-71st and 71st cul-de-sac

-71st terrace and 71st terrace cul-de-sac

Best price is from Suburban: 3 crabapples, 3 pines, plus materials = \$1021.91

Doesn't include hydrangeas or other small plantings.

Cheryl is checking to see if there is a city discount and checking with a friend who is a landscaper to see if we can get a deal on planting.

Cheryl made a motion to allocate \$1150 of funding for these major island renovations. Additional funding of \$300 per island may be needed.

Overlay Committee:

The city has completed their public meetings and is still gathering feedback from the residents on their proposal. There is a general feeling that many citizens are not aware of plan or are apathetic. Next steps from the board are:

Zach will put together a recap of the 2 sides including points of common ground.

Board to review recap and determine if we want to put on facebook and PV post.

May also create an informational handout. Lissa to send the board a proposal cheat sheet created by Katie Trenkle.

Meeting was adjourned at 7:40 pm
