A huge thank you to our good neighbors, Country Club Christian Church, for offering to host this meeting!

## OUR SUMMER NEIGHBORHOOD GATHERING!

Snowcones, a foodtruck, and a bouncy house @ "Schmelzer Island" (Huntington & Belleview) on August 17, made quite the setting for neighborly conversations. Look for a repeat gathering next year!

## PRESIDENT NOTES from Beverly Elving

I'm writing this between two important events for our beautiful and historic neighborhood: the end of summer family gathering on August 17 on Rooster (aka Schmelzer) Island, and our upcoming annual association business meeting on September 14 at Country Club Christian Church. It was terrific to spend a warm (and thankfully dry!) Saturday afternoon with many of our neighbors, enjoying fellowship and delighting in the many neighborhood youngsters who kept the bounce house very busy. Based on the appreciative comments received from both individual neighbors and families who attended, the Board was pleased with the results of the decision to separate the social and business elements we have combined in the past so we can celebrate our lively and diverse membership in a relaxed and family friendly way.

We look forward to seeing as many of you as possible at the annual meeting on September 14, where we can update you on business matters and neighborhood projects.

## 2019 ANNUAL JULY 4TH NEIGHBORHOOD PARADE

More than 100 neighbors with many bikes, trikes, scooters and strollers celebrated our nation's birthday in traditional fashion with a parade of young and old marching through the neighborhood, concluding @ the 57th Street and Bellevue island.
