

Greetings Countryside Home Owners,

In case you missed the Annual Meeting, here are the highlights:

- Bryant School – no new information but the re-purpose committee says they will hold a neighborhood meeting soon. You will be notified via email.
- 51st and Main – go watch the building go up.
- 51st and Brookside – no new news, Whole Foods is still contemplating the site without an entrance on Brookside.
- Finances – the HOA is healthy.
- Snowplowing – our original contractor was a no show. We got a new one who is expensive so we are looking for a permanent contractor.
- Westover/Wyandotte triangle will get a makeover this year so go by once in a while to see progress.
- Neighborhood Watch – be aware of your home and neighborhood – spring does bring an increase in crimes of opportunity such as open cars/homes/garages.
- Streets initiative – traffic survey was completed with many suggestions for traffic quieting, however these are expensive so we will be looking for help funding through the city.
- Board elections – Kyle Kelly retired, Joe Grego's term was up. Ballot was Joe Grego, 37 votes, Jason Pryor 17 votes, Janelle Sjue 15 votes, Evan Stange 10 votes.
 - The new board members are Joe Grego and Jason Pryor.

Please remember you can get more information about Countryside on our Facebook page or the HA-KC website, www.ha-kc.org .

We are always looking for interested people to become involved in our projects or social events. Please contact any member of the board if you would like to participate in any way.

▪ Terry Rodeghier	816-516-5299
▪ Jim Kraus	816-806-7653
▪ Mario Vasquez	816-444-6424
▪ Joe Grego	816-213-5634
▪ Kathy Arthur	816-822-0803
▪ Mike O'Neil	816-289-8246
▪ Jason Pryor	816-721-2456

Don't forget Countryside Dumpster Day is May 18th from 8 AM to Noon, St. Teresa's South parking lot. We will have dumpsters for lawn waste and household items (no hazardous chemicals or paint). Goodwill will be there to pick up e-Waste as well as clothing and household items in good shape. Habitat Restore will be there to pick up any reusable construction materials, large furniture or outdoor items in good shape.
