Annual Meeting

April 14, 2010

Wednesday, 7:00 p.m.

*Prairie Village Community Center
7700 Mission Road*

Meet your newly elected City Council representative and come prepared to ask questions about Prairie Village.

All Prairie Ridge residents are welcome

Dessert will be served

Hello Neighbors,

It's Spring and for many years that also means it is time for the Prairie Ridge Homes Association Annual Meeting.

This year we will gather at the Prairie Village Community Center to visit with neighbors, review the past year, discuss new business, and seek nominations for new board members. As you may know, members serve 3 - two year terms. After the sixth year of service we move off the board for at least one year before choosing to return. In some cases our members have needed to terminate their services for work, school, or personal reasons before the term is completed.

This year we have Jim Klamm leaving after his most recent 6 year term. Jill Hardy is resigning to further her education, and we have one other open position. So we are looking for three nominations to be considered to complete the board. If you or someone you know would like to serve with us on the Prairie Ridge Homes association, this will be an opportunity to voice your nomination.

There will be dessert, a guest speaker, a short business meeting and time to visit with your neighbors. We hope you can join us on April 14 at 7 pm in the Community Center.

See you then.

Dianne Pallanich, President

Island Volunteer Opportunities Available

As you know the beautifully kept islands and statuary throughout our neighborhood make Prairie Ridge a special place to live. Many volunteers take time to help keep them looking their best, but we need a few more. Some volunteers care for multiple islands and some islands do not have caretakers. Don't worry-No mowing is required!

**Please consider volunteering just a bit of your time to Prairie Ridge.
Call Jim Klamm (913-381-4551), or any board member to get more
information.**
