President's Message

By George Howard

Another year has begun with new promise and opportunities. The year 2005 was filled with many blessings for us all and we look forward to 2006 with great anticipation.

The November Annual Business Meeting was begun with the resignation speech by our President, Mark Forsythe, as he moves on to run for Kansas City, MO, City Council. He will continue to serve with us as an Exofficio Board Member. New Board members, **Charles Rogers** and **Claudine Thomas** were elected. I would like to welcome them, as well as **Walker Woods**, who replaced Mbugua Njoroge earlier in 2005.

At the December Board Meeting, the following Officers were elected for this year (2006):

George Howard, President

Tom Cooke, Vice President

John Rich, Treasurer

Nancy Jonas Wilson, Secretary

We look forward to serving you.

Last fall, as Vice President, I established the Annual WHHA Community Service Award, with one resident receiving this award for outstanding service to our Homes Association. It was presented at the November meeting to Nancy Jonas Wilson. So, in 2006, as you consider volunteering for our Homes Association, know that your efforts will be appreciated and recognized.

The Block Captain initiative is being redeveloped for 2006. I am asking for a volunteer Block Captain for each street. All that is required is that you maintain a current list of residents and their contact information for your block, plus maybe distributing information from the Homes Association. Please contact Chairperson Claudine Thomas at 333-9810 or call me at 523-5332 if you are interested. WE NEED YOU!!

Along with this idea, we would like to have a working Neighborhood Directory. This is nearing completion and will be distributed ONLY to residents of WHHA, through electronic means. We will try this new approach and see how it goes.

I am creating a President's Message Blog Webpage to provide residents with useful community information. Mark Forsythe used an email letter to do the same thing. However, some Internet Service Providers discourage large blocks of bulk email as they fit the profile of spammers, so the Spam filters reject the information posted. I will sent out the occasional email, but most of the information will be posted on the Webpage: URL address is <http://members.aol.com/propane5/whhapresident.htm>.

Good luck to all of you and best wishes for the New Year!

Green Pages Update

It's time to update our Wornall Homestead Homes Association Green Pages! This is an opportunity for neighbors to share information about products and services.

WHHA Green Pages

The idea of the Green Pages is simply to give you an opportunity to learn more about who your neighbors are and, when appropriate, to look within your own neighborhood for products and services that your neighbors might be able to supply. Anyone residing in Wornall Homestead Homes Association is invited to list their business. Some categories previously included are: babysitting, yard work, snow removal, accounting, attorney services, financial planning, computer consulting, tax preparation.

If you are a member of WHHA and would like to be in the Green Pages, please complete and return the following:

Type of Business: _____

Your Name: _____

Your Home or Business Phone No.: _____

Description of your Business: _____

Directory of Home Service Suppliers

A good way to learn the names of competent service and maintenance people is to ask friends and neighbors who they use. That's the purpose of this directory. List below any supplier(s) who has provided excellent and dependable service to you as a homeowner and whom you would feel good about recommending to someone else.

Supplier: _____ Phone No.: _____

Description of Business: _____

Your Name: _____ Phone No.: _____

Additional Suppliers may be listed on a separate sheet and included.

Please mail or email your entries to:
