

Westmont Newsletter
Westmont Homes Association
November 2007

Annual Meeting:

We would like to thank all 90 residents who attended the meeting on October 16th. We felt the Bacchanalia facility was such a great location that we have reserved it again for the annual meeting in October 2008. We would like to express our appreciation to Shirley Knese, our outgoing president, for her hard work and many accomplishments achieved during her tenure.

The two new board members elected at the meeting are Dee Savage Abbott and Sandy Goodwin.

Property Values:

We would like to thank Tom Armstrong for his power point presentation at the meeting. It was very informative and we appreciate his time and effort on this project.

If you did not receive a copy of the inspection report for your residence, please contact Tom at 451-4699.

Lawn and Grounds:

Thanks to Bill Framel for his work with Aspen on coordinating the aerating and seeding of our front lawns. I think we all agree it has made an improvement in the neighborhood. The lawns are looking great this fall.

Irrigation Systems:

Please remember to contact Aspen at 829-6135 to shut down your sprinklers for the winter.

Coffee Time:

Mark your calendars for Tuesday, November 13, to meet your neighbors at Scooters (Antioch & College) for conversation and coffee!

Holiday Lights:

Thanksgiving evening is the traditional time for Westmont residents to turn on their candle window lights to welcome everyone to our neighborhood. Please contact Brenda Flagler at 498-1617 if you have questions on obtaining the electric candle lights.

Happy Thanksgiving
