Spring Sprinkler Activation

Spring is here and it is time to prepare our sprinkler systems for the year. Aspen has established April 15 as the date they will be here to start the systems. If you choose to have yours activated at that time, Aspen has offered a reduced rate of \$55.00 per system. All you need to do is:

- Call Aspen at 913-829-6135 and tell them you live in Westmont and wish to have your sprinkler system activated at the special rate.
- If your control box is inside, you or someone else must be home to give Aspen access to the box.
- You do not have to start the sprinkler cycle at the time of activation, just let Aspen know and they will activate and then leave the system off.

Also, the first of three yard clean ups will be done sometime in April.

Big Item Trash Collection

Every other year Overland Park sponsors a large item trash pick up in our area. This year it is April 4. You should have received a notice in the mail. If you have any questions, contact any board member.

BOARD MEMBER STILL NEEDED

We have had no volunteers for the vacant board position. As you can tell, there are many important issues facing the board and we need the participation of our Owners. Please consider volunteering. Contact any board member to express your interest.

Garage Sale

Our annual garage sale is May 14, 15 and 16. It is a great time to make a little extra and get rid of things you no longer need. Hope to see your doors open on those dates.

Association Dues

A reminder that as of May 1, dues will be \$62.00 per month.
