Westmont Homes Association Annual Meeting

Thank you to all residents who participated in the Annual Meeting. Congratulations to newly elected board members Don Roth, Connie Brockert and Jamie Brooks. Congrats to Billie Napier on her re-election for a second term as Treasurer. Meeting minutes are attached. A report from our Association President, Tom Armstrong, is enclosed.

Please mark your calendar for next years meeting scheduled for October 20, 2009.

119th Street Project

Aspen will begin trimming of trees along fence line during the last week of October. Guier Fence Company will begin removal of old fencing and installation of new fencing shortly thereafter.

Fence installers may be required to access 119th with wheel barrows and fence materials through side-yards. We apologize for any inconvenience. We recommend you mark any sprinkler systems located near the fence. This will help prevent damage.

Westmont Coffees

The ladies of Westmont get together every month on the second Tuesday at 9:00 a.m. - usually at Scooter's located at Antioch and College. This is where we will be meeting November 11th - and we would like to see you there. In December, everyone is invited to Brenda's home (8335 W. 120th Street) for the monthly coffee at 9:00 a.m. on December 9th. If you would like to bring a snack to share, that would be nice - but NOT necessary . . . just come and enjoy your neighbors during the Holiday season. Call Brenda at 498-1617 if you have questions.

Westmont Yard & Lawn Maintenance

The first of two fall clean ups will be scheduled for mid-November, weather permitting. The clean up will include all areas, front and back yards. **We ask that property owners assess the need to remove and replace overgrown plants and any grassy areas requiring seeding or sod.** Please contact Aspen if you would like to hire them to plant, remove, replace or re-seed. It is the responsibility of property owners to neatly and caringly maintain their property.
