BUILDING RESTRICTIONS AND ARCHITECTURAL CONTROL

No improvement or structure of any kind, including, without limitation, any residence, building, fence, wall, swimming pool, tennis court, screen enclosure, sewer, drain, disposal system, decorative building, landscape device or object, or other improvement shall be commenced, erected, placed or maintained upon any

lot, nor shall any addition, change or alteration therein or thereof be made, unless and until the plans, specifications, and location of the same shall have been submitted to and approved in writing by the architectural control committee. All plans and specifications shall be evaluated as to harmony of external design and location in relation to the surrounding structures and topography and harmony of external design with existing structures in the subdivision; and as to location of the building with respect to topography and finished ground elevation.

The architectural control committee shall initially consist of three members, namely: James D. Robertson and James M. Streu and Greg Thomson, the developer shall have the right to appoint all of the members of the architectural control committee as long as it has not sold on a "first sale" basis, all of the lots in BROOKE MEADOWS, as initially plated and/or additions thereto. If said authority and right to appoint all of the members of the architectural control committee, as well as to otherwise enforce the provisions of these restrictions, is not sooner assigned or delegated by the Developer, all such rights and entitlements shall, in all events, be deemed immediately and automatically assigned and transferred to BROOKE MEADOWS HOMEOWNERS ASSOCIATION, upon the occurrence of any of the following event:

(1) When Developer has sold, on a "first sale" basis, all of the lots within said subdivision, as initially platted or with additions thereto accomplished by subsequent plattings.

Upon expiration of the developer's right to appoint the members of the Architectural Control Committee as heretofore provided, or upon written notice of the developer to the Association of intent to turn over architectural control to the Association, members of the Architectural control committee shall be appointed by the Board of Directors of the Association, shall be a member of the Association, and serve at the pleasure of the Board.

Any person requesting approval of the architectural control committee shall submit complete building plans, specifications, plot plans, grading plans, landscaping plans and location of the buildings with respect to topography and finished ground elevations. Approval of said plans and specifications may be withheld because of failure to comply with any of these restrictions, or because said plans fail to include such information as may be reasonably requested by the committee, or because of objection to the design and appearance of the

proposed structure, or its failure to conform with existing structures upon their lots or because the location, grading plan, landscaping plan, color scheme, finish, design, proportions, style of architecture, height, or appropriateness of the proposed structure is inharmonious with the general plan of improvement of said property or other structures located on the lots in the vicinity of the lot on which said building or structure is proposed to be placed or maintained. The architectural control committee shall approve or disapprove said plans within 30 days after their submission. Failure of the committee to disapprove plans after 30 days shall constitute automatic approval. Upon approval by the committee of plans for construction or alteration of any structure, a copy of such plan as so approved shall be deposited for permanent record with the committee, and a copy of such plans, bearing the written approval of the committee, shall be returned to the owner of the lot upon which the structure is or will be placed. The committee may promulgate rules governing the form and content of the plans to be submitted for its approval, and may issue statements of its policy with respect to approval or disapproval of details or other matters, which may be presented to it for approval. Such rules and policy statements may be amended or revoked by the committee at any time and no inclusion in, omission from or amendment of such rule or statement shall be deemed to bind the committee as to its approval or disapproval of any feature or matter subject to its approval or to waive the exercise of the committee's absolute discretion as to any such matter. Approval for use on any lot of any plans or specifications shall not be deemed a waiver of the committee's right in its discretion to approve such plans, features or elements which are subsequently submitted for approval for use on any other lot or lots.

If any structure shall be altered, erected, placed or maintained upon a lot otherwise than in accordance with the plans and specifications approved by the committee pursuant to the provisions contained herein, such alteration, erection and maintenance shall be deemed to have been undertaken in violation of these restrictions and without approval required herein. Any approved work of construction or alteration shall be erected and completed diligently in accordance with the plans so approved and completed within 12 months after the date of such approval. Failure to so complete such work shall cause such approval to be automatically withdrawn unless the committee extends such approval in writing for an additional period not to exceed 6 months. After such automatic withdrawal of approval, the structure being constructed or altered shall not then or thereafter be occupied or permitted to remain on a lot for a period longer than 3 months.

Any residence erected in BROOKE MEADOWS shall contain a minimum of 1,200 square feet of enclosed floor area. Any residence of one and a half stories or two stories in height erected on any said lots shall contain a minimum of 900 square

Clay County, Missouri
Unofficial Document

feet of such enclosed floor area on the first floor thereof. The words "enclosed floor area" as used herein shall mean and include in all cases, areas on the first and second floor of the residence enclosed and finished for all year occupancy, computed on the outside measurement of the residence, and shall not mean or include any areas in basements, garages, porches or attics; provided however, that certain interior areas of the second floor need not be immediately finished for occupancy if the residence is so designed and built that such areas can be finished at a later date without any structural changes being made in the exterior of the residence. The architectural control committee shall have the absolute and incontestable right to determine whether the enclosed floor area of any split level or bi-level residence and/or the enclosed floor area on the first floor thereof, meets the minimum requirements provided for hereunder and such determination shall be final.

The exterior walls of all buildings, structures, and appurtenances thereof, shall be of brick, stone, woods shingles, wood siding, wood paneling, plate glass, masonite, or a combination thereof. Manufactured stone and lava rock for exterior walls must be approved by the architectural control committee. Windows, doors and louvers shall be of wood or colored metal and glass. Roofs shall be covered with asphalt shingles, woods shake shingles, slate or tile. Any building products which may come into general use for dwelling construction in this area after the date of these restrictions shall be acceptable if approved in writing by the architectural control committee. All wood and masonite exteriors, except roofs, shall be covered with a workmanlike finish of paint, stain and/or weather preservative, unless another finish is approved in writing by the architectural control committee.

No building shall be permitted to stand with its exterior in an unfinished condition for longer than nine (9) months after commencement of construction. In the event of fire, windstorm or other damage, no building shall be permitted to remain in the damaged condition longer than six (6) months. Any owner of a structure in violation of this section may, in the discretion of the architectural control committee, be assessed a fine of from \$1.00 to \$100.00 per day for every day the violation continues. The fine approved for herein, if not paid when due by said owner, shall become a lien upon the real estate upon which the structure in violation of this section is located, provided, however, that such lien shall be inferior and subordinate to the lien of any valid first mortgage or deed of trust now existing or which may hereafter be placed upon said real estate, and further provided that such lien shall be discharged and not enforceable against any mortgagee acquiring title by sale or foreclosure under any first mortgage or Deed of Trust lien now existing or which may hereafter be placed upon said real estate.

Clay County, Missouri Unofficial Document

The entire front, rear and side yards of every lot in BROOKE MEADOWS and the unpaved portion of street easements contiguous thereto shall be sodded with grass at the earliest time after construction of a dwelling on said lot as weather will permit, and in no instance will seeding or plugging be considered a substitute for such original sodding without the consent in writing of the architectural control committee.

The front line of each structure shall be set back according to the setback lines as indicated on the recorded plat.

No building or other permanent structure shall be erected or maintained on any part of any area indicated as "easement" but the owner of said lot may erect a fence or hedge along the property line within such easement, subject to approval of the architectural control committee and subject at all times to the prior right to use such area for public or quasi-public purposes. The right is reserved to locate, construct, erect and maintain or cause to be located, constructed, erected and maintained within the areas indicated for such purposes on the plat as "easements", sewers or other pipelines, conduits, wires, and any other method of conducting or performing any public or quasi-public utilities, including cable television service, with the right of access at any time to the same for the purpose of repair and maintenance.

ARTICLE VI

COMMON PROPERTIES

Subject to the transfer provisions (as to lender acquisition or sale) as set forth in the preceding Article V, Developer may retain the legal title to common areas so long as it owns at least one (1) lot in BROOKE MEADOWS. On or before conveyance by Developer of the last lot in BROOKE MEADOWS, Developer shall convey the common areas to the Association, subject to taxes for the year of conveyance, and to restrictions, conditions, limitations, reservations and easements of record; subject however, to a reservation hereby perpetually reserved to the Developer, its successors and assigns, of the right to use and enjoy the same non-exclusive common utility easements, easements of drainage and ingress and egress easements and use easements for the benefit of additional lands owned or to be owned by the Developer which are added to BROOKE MEADOWS as additional lands as provided in Article II.

The owners of lots in BROOKE MEADOWS as it may exist from time to time, shall have the exclusive right to the use of all common areas as designated on the plat of BROOKE MEADOWS or as may be designated on subsequent plats of BROOKE MEADOWS, or as may be created by separate document filed for that purpose with the Recorder of Deeds of Clay County, Missouri. the right and power to make reasonable rules and regulations which shall govern the use of said common areas. No land shall be entitled to any of the benefits, improvements or services provided by the Association unless the owner or owners thereof shall have subjected their land to the terms of this Declaration and to the assessments herein provided for.

ARTICLE VII

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

Every person or entity which is a record fee simple owner of a lot, including the Developer, and including any person or entity acquiring title by Trustee's Sale, foreclosure or other process of law shall be a member of the Association, provided that any such person or entity who holds such interest only security for the performance of an obligation shall not be a member. Membership shall be appurtenant to and may not be separated from ownership of any lot which is subject to assessment. Owners shall include the owners of lots of additional land that may from time to time be made subject to the terms and provisions of this Declaration in the manner provided for in Article II. The Association shall be the sole judge of the qualifications of its members. Each lot as shown on the plat or any subsequent plats of BROOKE MEADOWS shall be entitled to one vote. Where one or more persons or entities own a single lot, they shall decide among themselves who shall be entitled to cast the vote for said lot. In no event shall more than one vote be cast per lot. In the event the owners are unable to agree as to who shall be entitled to cast the vote, no vote for that lot shall be counted.

ARTICLE VIII

POWERS AND DUTIES OF THE ASSOCIATION

The Association shall have the following powers and duties which it may exercise or perform whenever in its discretion it may deem them necessary or desirable, to-wit:

1. To enforce either in its own name or in the name of any owner within the district, any or all building restrictions and use restrictions, or other covenants, obligations or restrictions which may have been heretofore or may hereafter be imposed upon any of the land in such district, either in the form as originally placed thereon or as modified subsequently thereto; provided, however, that this right of enforcement shall not serve to prevent such changes, releases or modifications of restrictions or reservations being made by the parties having the right to make such changes, releases or modifications as are

Clay County, Missouri Unofficial Document

permissible in the deeds, declarations or contracts in which such restrictions and reservations are set forth, nor shall it serve to prevent the assignment of those rights by the proper parties, wherever and whenever such rights of assignment exist. The expenses and costs of any enforcement proceedings shall be paid out of the general fund of the Association as herein provided for. Nothing herein contained shall be deemed or construed to prevent any owner having the contractual right to do so from enforcing in his own name any such restrictions.

2. To manage and control as trustee for its members all public streets, sidewalks and other public places shown on the plat of BROOKE MEADOWS and any and all improvements thereon, provided that such management and control of said places and improvements shall at all times be subject to that had and exercised by any city, county and state, or any of them, in which said places and improvements are located.

3. To provide for the collection and disposal of rubbish and garbage, when adequate services of that type are not available from any public source.

4. To care for, spray, trim, protect and replant trees on all streets and other public places where trees have once been planted, when such services are not available from any public source.

5. To manage, control, operate, maintain, construct, reconstruct, and maintain common areas as the Association deems advisable and in the interest of the members including but not limited to tennis courts and swimming pool.

6. 7. To provide for the plowing and removal of snow from sidewalks and streets when such services are not available from any public source.

8. To provide such lights as the Association may deem advisable on streets, parking lots, pedestrian ways, gateways, entrances or other features, and in all other public and common areas, when such facilities are not available from any public source.

appurtenant drainage facilities, when such services are not available from any public source.

10. To erect and maintain signs for the marking of streets and safety signs for the protection of children and other persons when such signs are not available from any public source.

11. To employ duly qualified peace officers for the purpose of providing such policy protection as the Association may deem necessary or desirable in addition to that rendered by public authorities.

12. To exercise control over such easements as it may require from time to time.

13. To acquire and own title to such real estate as may be reasonably necessary in order to carry out the purposes of the Association and to pay taxes and special assessments on such real estate as may be owned by it; and to pay such taxes and assessments as may be assessed against lands in streets, common areas, and other public or semi-public places within the district.

14. To levy and collect assessments which are provided for in this Declaration.

16. To make reasonable rules and regulations which shall govern the use of common areas, including but not limited to restricting the use of common areas from those individuals or members who refuse to comply with the Association's reasonable rules, provided however, that no restriction as to use shall impair that member's right to vote in the Association, and no restriction as to use shall relieve that member's obligation to pay common assessments which are provided for in this Declaration.

17. To obtain such insurance as the Association deems advisable, including but not limited to fire and extended coverage, covering the full insurable replacement value of the common areas; liability insurance insuring the

Clay County, Missouri Unofficial Document

Association against any and all liability to the public, to any owner, or to the invites or tenants of any owner arising out of their occupation and/or use of the common areas; workmen's compensation insurance to the extent necessary.

18. To hire or employ such individuals, firms or management companies which the Association shall deem appropriate to carry out the duties of the Association, including but not limited to management, maintenance, accounting and legal services, and to delegate such responsibilities as it deems advisable.

ARTICLE IX

METHOD OF PROVIDING GENERAL FUNDS

For the purpose of providing general funds to enable the Association to perform the duties herein provided for, all privately owned lots shall be subject to an annual assessment which may be levied by the Association from year to year and shall be paid to the Association annually in advance by the respective owners of the said assessable lands subject thereto, which said assessable land shall be deemed to be all of the above enumerated lots in the aforesaid plat of BROOKE MEADOWS on which dwellings have been erected, together with such other lots as may from time to time be added to these restrictions as provided herein and on which dwellings have been erected. The Association may from year to year fix and determine the total amount required in this general fund, and may levy and collect an annual assessment not exceeding \$200.00 for each lot on which a dwelling has been erected within BROOKE MEADOWS; provided, however, that in respect to the year in which a dwelling is constructed on any certain lot covered by this Declaration, the assessment for said year shall be pro-rated on the basis of the date of occupancy of said dwelling. Non-use of the common area, whether by choice of the owner, or pursuant to association rule, shall in no way relieve the owner's responsibility for payment of any assessments set out herein.

The maximum annual assessment upon each lot as aforesaid may be increased by not more than ten percent (10%) from year to year, provided that a meeting of the members, specially called for that purpose, prior to the date on which the assessment is levied for the first year for which such increase is proposed, a majority of the members present at such meeting authorize such an increase by an affirmative vote therefor; and provided further that the maximum annual assessment on each lot as aforesaid may be increased by an amount greater than ten percent (10%), provided that at a meeting of the members specially called for that purpose, prior to the date on which the assessment is levied for the year for which such increase is proposed, 66 2/3 of the members present at such meeting authorize such an increase by an affirmative vote therefor.

BK 4406 PG 884

Clay County, Missouri Unofficial Document

Unless the increases provided for in paragraph 2 of this Article are specifically limited by the resolutions in which they are contained, to be for a specified period, they shall be effective until rescinded by the Association, at a meeting specially called for such purpose, by an affirmative vote of two thirds of the members present, and shall thereafter be effective commencing on the first day of the next succeeding year.

Whenever the Association may deem it advisable to submit to the members a proposal for increasing or decreasing the permissible maximum amount of the annual assessment, it shall notify the members of the Association by mailing to such members at the last known address, with United State postage thereon prepaid, a notice of such meeting, giving the time and place at which it is to be held, and the fact that an increase or decrease in the amount of the annual assessment is to be voted upon at such meeting.

The first annual assessment shall be for the year 2004_ beginning January 1_, 2004, and it shall be fixed and levied prior to January 1_, 2004_, and shall be payable on January 1, 2004, and on _January 1___ of each year thereafter. It will be the duty of the Association to notify all owners of assessable lots whose address is listed with the Association, on or before that date, giving the amount of the assessment on each tract owned by them and the date when such assessment is due. Failure of the Association to levy the assessment prior to January 1, of each year for the next succeeding fiscal year beginning on January 1, shall not invalidate any such assessment made for that particular year; nor shall failure to levy an assessment for any one year affect the right of the Association to do so for any subsequent year. No failure of the Association to notify any owner, nor failure of any owner to receive notice of assessment, shall relieve any owner from the duty and obligation of paying an assessment, but may, in the Association's discretion, relieve said owner of the obligation to pay any interest or late charge thereon. All owners shall be deemed to have notice of the existence of the assessment, and shall have the duty to inquire as to the amount if notice is not received. If the assessment is made subsequent to January 1 of any year, then it shall become due and payable not later than 30 days from the date of levying the assessment. The Association may elect to permit collections in quarterly or semi-annual payments in lieu of the annual payments provided for herein.

The Association may levy a special assessment for a period not to exceed two (2) years, for the purpose of providing emergency funding, construction or reconstruction of common property elements or other purpose, at any time it deems necessary, on an affirmative vote of three-fourths of the owners present at a special meeting called for said purpose with notice to all owners mailed not more than 60 and not less than 10 days prior to said meeting. Said notice

Clay County, Missouri Unofficial Document

shall advise owners of the time and place for the meeting, the purpose of the meeting, and the amount of special assessment being proposed.

ARTICLE X

LIEN ON REAL ESTATE

The assessment provided for herein shall become a lien on the real estate against which it is levied as soon as it is due and payable as above set forth, provided, however, that such lien shall be inferior and subordinate to the lien of any valid first mortgage now existing or which may hereafter be placed on said real estate and, in the event of acquisition of title by a first mortgage or Deed of Trust holder through Trustee's sale, foreclosure or other process, such lien shall be discharged as a lien against such lender acquired property. In the event of the failure of any owner to pay the assessment on or before the first day of February following the making of such assessment, then such assessment shall bear interest at the legal rate (now nine percent (9%) per annum) from the first day of January, but if the assessment is paid before February 1 (or within 30 days from the date of the assessment, if the assessment is made subsequent to December 1 for the calendar year beginning January 1) then no interest shall be charged.

On or after February 1st of each year, beginning February 1, 2004, or within 30 days from the date of levying the assessment for the calendar year during which and for which the assessment is levied, the assessment shall become delinquent and payable of both principal and interest and may be enforced as a lien on said real estate, in proceedings in any court in Clay County, Missouri, having jurisdiction of suits for the enforcement of such lien. It shall be the duty of the Association to bring suits to enforce such liens before the expiration thereof. The Association may at its discretion file certificates of non-payment of assessments in the office of the Recorder of Deeds whenever any such assessments are delinquent. For each certificate so filed, the Association shall be entitled to collect from the owner or owners of the property therein described a fee of \$2.00, which fee is hereby declared to be a lien upon the real estate so described in said certificate, provided that such lien shall be inferior and subordinate to the lien of any valid first mortgage now existing or which may hereafter be placed on said real estate. Such fee shall be collectible in the same manner as the original assessments provided for herein, and in addition to the interest and principal due thereon. In the event it is necessary to bring suit to enforce such lien, the Association shall be entitled to recover its reasonable attorney's fees from the owner or owners of the property, jointly and severally, upon which lien is enforced.

Such liens shall continue for a period of five (5) years from the date of delinquency, and no longer, unless within such time suit shall have been instituted for the collection of the assessment, in which case the lien shall continue until the termination of the suit and until the sale of the property under execution of judgment establishing same.

In the event of Trustee's sale or foreclosure of the lien of any valid first mortgage or Deed of Trust now existing or which may hereafter be placed on said real estate or lot therein, such sale and/or foreclosure shall discharge the lien for assessments provided in this Article. However, nothing in these restrictions shall prevent the Association from instituting or prosecuting an action for collection of assessments against the record owner or owners of the property at the time the assessment was made and within five (5) years from the date said assessment was due, whether or not the lien provided in this Article has expired.

ARTICLE XI

LIMITS ON EXPENDITURES

The Association shall at no time expend more money within any one year than the total amount of the assessment for that particular year, plus any surplus which it may have on hand from previous assessments; nor shall said Association enter into any contract whatsoever binding the assessment of any future year to pay for any such obligation, and no such contract shall be valid or enforceable against the Association except for contracts for utilities, it being the intention that the assessment for each year shall be applied as far as practicable toward the payment of the obligations of that year, and the Association shall have no power to make a contract affecting the assessment of any future or subsequent year except for utilities.

ARTICLE XII
